

It By Progressive Contractors

and Free Souvenirs
of Rappaport Bldg.

a special arrangement. This offering will introduce the camera and kodak department of this new store.
Justly proud of their work, contractors and supply houses whose energies and materials went into the construction of Torrance's new business block, are using display advertisements on this page, heralding the fact that they and their organizations took part in the erection of the structure.
W. L. Reeve was the general contractor.
The Postle company of Los Angeles were the architects. Linderman and Dueker were the brick contractors.
Plumbing was done by The Torrance Plumbing company. The Torrance Wall Paper and Paint company had the painting and decorating contract.
"Hardware" Reeve furnished the hardware.
Lumber, lath, cement and plaster were furnished by the Consolidated Lumber company.
The roofing was furnished by the Owens Roofing company.
Fixtures in the Rappaport store were supplied by the Weber Showcase and Fixture company of Los Angeles.
